# Baby learns from you:

You teach babies to talk  
as you take care  
of them

If you talk  
to baby  
he will learn to make sounds

When baby coos  
and blows bubbles  
he is learning  
to talk

You help if you make  
soft sounds back at him

# When baby talks to yo

make the  
sounds he  
makes

Talk back  
to him

# When baby talks to you:

make the  
sounds he  
makes

Talk back  
to him

Call your baby  
by his name

Babies learn  
to talk  
from you

# The first year is important

- Cuddle babies
- Talk to them
- Call them by name
